Update to 11/17/21 Notification of Marijuana Product Recall

The Marijuana Regulatory Agency has received an opinion and order from the State of Michigan Court of Claims regarding the November 17, 2021 marijuana product recall.

Pursuant to the Court's order, effective immediately, the recall "as it pertains to Viridis North, LLC" has been enjoined. The MRA is required to comply with this order.

Therefore, the MRA will release the administrative holds on all products tested by Viridis North, LLC that were included in the recall. This includes any products that have been subsequently retested, regardless of whether those retesting results were passing or failing.

The full Court order may be viewed [here](#). Questions may be sent to the MRA's Operations Support Section: MRA-Compliance@michigan.gov.
